## Hundreds of Permanente Medicine Physicians are Top Doctors

As we close out 2022, we are filled with gratitude for our members, clients and our committed staff who go above and beyond to provide quality care every day. This year, we're again pleased to announce that hundreds of Permanente Medicine physicians have been named Top Doctors in **Baltimore** and **Washingtonian** magazines.

More than 35 Permanente doctors were recognized in the November 2022 *Baltimore* Magazine "Top Doctors" edition. [View the listing.](#)

More than 220 Permanente doctors were recognized in the November 2022 *Washingtonian* Magazine "Top Doctors" edition. [View the listing.](#)

**Reminder:** More than 200 Permanente doctors were recognized in the February 2022 *Northern Virginia* Magazine "Top Doctors" edition. [View the listing.](#)

These recognitions show our commitment to providing quality care and service to our members and your clients every day. Please share with your clients and Kaiser Permanente members and feel free to contact your Sales Executive or Account Management representative with any questions.
